

TECHNICAL SPECIFICATION

TASKI® SANI 4 IN 1 PLUS SPRAY

Ready-to-use 4 in 1 product that acts as a cleaner, disinfectant, deodorizer and descaler for all acid-resistant hard surfaces. It is effective against a wide spectrum of microorganisms, including virucidal efficacy against all enveloped viruses including SARS-CoV-2, which causes COVID-19 disease. The deodorising properties are based on an unique, patented Odour Neutralizing Technology (O.N.T.) which leaves a pleasant, fresh fragrance.

CERTIFICATION AMS 1452

Disinfectant, Aircraft General Purpose

Boeing BSS7434

Chemical Compatibility of Cleaning Products and Interior Parts/Materials of Commercial Transport Aircraft

Authorized product in several EU Member States* according the transitional provisions laid down in Article 89 of the under the **European Biocidal Products Regulation (BPR 528/2012/EC)** and

*Austria, Belgium, Denmark, Estonia, Finland, France, Germany, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Netherlands, Poland, Portugal, Romania, Slovenia and Sweden.

Authorized product according national biocidal legislation in the **United Kingdom, Serbia and Switzerland**

Active substance: L-(+)-lactic acid 0,352%

- CAS number: 79-33-4
- Approved European active substance supplier (Art. 95 List)
- Approved for different product types under European Biocidal Products Regulation (BPR 528/2012/EC):
 - PT02 Disinfectants and algacides not intended for direct application to humans or animals
 - PT04 Food and Feed area

Aero-Sense

- ISO 9001:2015 certified
- NCAGE Code: B8132

Your reliable partner in aviation chemicals.

PROPERTIES	Physical state at 20°C	Fluid liquid
	Colour	Clear, Red
	Odour	Perfumed
	pH value	< 2 (neat)
	Relative density (20°C)	≈ 1,00
	Solubility in water	Completely
	Flammability	Non-flammable
	Flash point (°C)	> 93°C

AVAILABLE IN 🇪🇺 750 ml spray bottle

APPLICATION Use instruction:

- Spray the ready-to-use product on a cloth.
- Let it work for the required time according to the microbiological data.
- At regular intervals, rinse the cleaning wipe thoroughly or replace it.
- For stubborn dirt, use a scouring sponge.
- Then rinse with clean water or rub the surface with a clean, damp cloth.

PRODUCT COMPATIBILITY

- Do not mix the product with other products.
- Do not use on acid-sensitive or non-water-resistant surfaces.
- Sufficiently pre-wet grout with water before use.
- Before use, test the resistance of the material on a small unnoticed spot.

SAFETY

- Shelf life: 24 months - Expiration date: see print on the packaging.
- The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation (648/2004/EC)
- Store in original closed containers away from extremes of temperature (> 5°C).
- For professional use only
- Review the Safety Data Sheet (SDS) before use
